

Creating Dynamic Website Portfolios

A Course for Educators and Employment Specialists to Ignite Career Opportunities

This 12-week online instructor-led course is designed for educators and employment specialists to learn how to support students or job seekers in creating a website portfolio to market their strengths and skills.

The Course Includes:

- Up to 25 hours of on-demand and instructor-led live sessions with training and support.
- Up to 5 hours of mentoring and technical assistance from Wise staff.
- Access to an online website builder with a dashboard function to manage student websites.
- Collaboration and interaction with other professionals in your field.
- Access to the Wise Learning Center to view a broad array of on-demand trainings.

Course Dates:

Sept 23, 2024 to Dec 13, 2024

Live Group Sessions:

Sep 24th | Oct 15th | Nov 12th | Dec 10th

10am - 11:30am PT

Registration Fee: \$1,750

Class Size: up to 20 participants
